Objective: Aspiring front-end developer with a passion for creating and designing user-friendly websites and web applications. Seeking an opportunity to gain hands-on experience and further develop my skills in HTML, CSS, JavaScript, React.js and Next.js in a supportive and collaborative environment. Seriously looking for a challenging position in a dynamic company where I can utilize my skills and experience to create innovative and user-friendly web applications.

Skills:

- ❖ Proficient in HTML, CSS, JavaScript, and TypeScript
- ❖ Experience with CSS frameworks such as Tailwind CSS
- ❖ Experience with front-end frameworks such as React and Next.js
- ❖ Familiarity with Three.Js and GSAP
- ❖ Understanding of user authentication in web Apps
- ❖ Familiarity with version control systems such as Git
- ❖ Strong understanding of responsive design principles
- ❖ Deploying web Apps
- ❖ Strong understanding in Testing web Apps
- ❖ Knowledge of UI/UX best practices
- ❖ Ability to work effectively in a team environment
- ❖ Excellent problem-solving skills
- ❖ Strong attention to detail

Experience:

Frontend Developer Nano Code, Nsukka, Enugu State 2023.

- ❖ Developed modern, responsive websites using HTML5, CSS3, JavaScript, and React
- ❖ Assisted with front-end development tasks under the guidance of senior developers
- ❖ Collaborated with designers and backend developers to implement user interface designs
- ❖ Optimized web applications for performance and usability
- ❖ Conducted code reviews and provided feedback to team members

Frontend Intern Web's Pharnacy Coding Hub, March, 2024 – August, 2024.

- ❖ Developed modern, responsive websites using TypeScript, Tailwind CSS and Next.Js
- ❖ Developed web App using GSAP and Three.Js
- ❖ Participated in team meetings to discuss project requirements and timelines
- ❖ Implemented automated testing procedures to ensure code quality

Education:

Bachelor's Degree in Pharmaceutical Sciences (B.Pharm) University of Nigeria, Nsukka. Enugu State September, 2015 – March, 2021.

Projects:

- ❖ **Portfolio Website**: Developed my portfolio website showcasing a variety of web projects utilizing HTML5, CSS3, and JavaScript. This project reflects my journey in web development and highlights my intermediate JavaScript skills, featuring interactive elements and dynamic content that enhance user experience.

- ❖ **Cloned Apple's iPhone 15 Pro Website:** Developed a clone of Apple's iPhone 15 Pro website using React.js and TailwindCSS. It highlights the effective use of GSAP (Greensock Animations) and Three.js for displaying iPhone 15 Pro models in various colors and shapes.

- ❖ **Movie War**: Built this application utilizing HTML, CSS3, and JavaScript. The app fetch data from an API, interacting with the backend where users can search out any two movies. The web app will compare the ratings of the two movies and tell you which is better.

Certifications:

- ❖ JavaScript Essentials 1, Cisco Networking Academy, 2024.
- ❖ Responsive Web Design, FreeCodeCamp, 2024.
- ❖ React JS Tutorial, Great Learning, 2024.
